**Fall 2019 - Spring 2020**

Dear customers and friends of Herd Farms Nursery,

It is with great pleasure to announce we are starting our 20th year in business. I want to begin by thanking you for allowing Herd Farms to serve you throughout the past twenty years. In 2000, we began operations with twenty-four beds, a desk in the basement, and zero employees. Throughout the past twenty years, we have grown to 390 beds with well over a million plants, six employees, and equipment and infrastructure to handle this volume. The road we have traveled during the past twenty years has been littered with blessings of success, too many failures to mention, and valuable lessons accompanying every situation.

As many of you know, the nursery industry is unique in that customers, employees, and family come before profit. Teresa and I have raised two wonderful children, become close friends with many people, and have employees who are like family. We are thankful for the opportunity the nursery industry has provided us to spend valuable time with these people at our own home and business.

The journey has only just begun, and we look forward to our next twenty years. We look forward with optimism and excitement to see what God and our industry have in store for us. We at Herd Farms will continue to serve you, our customers, like family.

Thank You and  
To God Be the Glory,  
Phillip and Teresa Herd

**2019-2020**

## Terms and Conditions of Sale

**Prices** - All prices are FOB of Belvidere, TN 37306. Prices are subject to change without notice. However, they will not change after an order is acknowledged. Boxing is at cost. This list cancels all previous lists and quotations.

**Terms** - For new customers with unestablished credit, terms are net cash with 50% deposit before shipment. For established customers, terms are net 30 days from invoice date. Overdue accounts are subject to a service charge of 1½% a month or 18% annually. Any litigation shall be held in the Chancery Court of Franklin County Tennessee.

**Shipping** - All plant material travels at the expense and risk of the purchaser.

**Claims** - Claims must be made within 10 working days after receiving stock.

**Guarantee** - Herd Farms Nursery prides itself in exercising the greatest care in keeping varieties true to name. However, we give no warranty, expressed or implied, as to description, productiveness, or any other matter of nursery stock we sell. In no event shall our liability exceed the purchase price of any plant. Grade sizes and count are subject to change from acknowledgment. Shipment of order may be delayed or cancelled without liability to the seller due to unforeseen causes beyond the seller's control such as drought, flood, fire, over-booking, strikes, frost, and any other reasons beyond seller's control.

**Minimum Order** - 25 per cultivar.

**Bare Root Plant Handling** - Herd Farms Nursery exercises the greatest of care in handling bare root plants. We encourage you to follow these simple steps when you receive your stock.

- 1) When your boxes arrive, please protect them from heat and freezing weather.
- 2) It is best to keep your plants in a cooler until planting; however, if this is not possible, keep them in the box in a cool, moist place until planting. They should not be kept like this more than 2 days.
- 3) Never allow plant roots to dry out when planting.
