**Fall 2021 - Spring 2022**

Dear customers and friends of Herd Farms Nursery,

It is with great pleasure to announce we are starting our 22nd year in business. I want to begin by thanking you for allowing Herd Farms to serve you throughout the past twenty years. In 2000, we began operations with twenty-four beds, a desk in the basement, and zero employees. Throughout the past twenty years, we have grown to 390 beds with well over a million plants, six employees, and equipment and infrastructure to handle this volume. The road we have traveled during the past twenty years has been littered with blessings of success, too many failures to mention, and valuable lessons accompanying every situation.

As many of you know, the nursery industry is unique in that customers, employees, and family come before profit. Teresa and I have raised two wonderful children, become close friends with many people, and have employees who are like family. We are thankful for the opportunity the nursery industry has provided us to spend valuable time with these people at our own home and business.

The journey has only just begun, and we look forward to our next twenty years. We look forward with optimism and excitement to see what God and our industry have in store for us. We at Herd Farms will continue to serve you, our customers, like family.

Thank You and  
To God Be the Glory,  
Phillip and Teresa Herd
